O you who have believed, indeed the polytheists are unclean, so let them not approach al-Masjid al-Haram after this, their [final] year. And if you fear privation, Allah ﷻ will enrich you from His bounty if He wills. Indeed, Allah ﷻ is Knowing and Wise.

And WEالله ﷻ have certainly diversified in this Qur'an for the people from every [kind of] example; but man has ever been, most of anything, [prone to] dispute.

And nothing has prevented the people from believing when guidance came to them and from asking forgiveness of their Lordالله ﷻ except that there [must] befall them the [accustomed] precedent of the former peoples or that the punishment should come [directly] before them.

Jabir said: Allah’s Messenger (SallAllah-u-Alaihi-wa-Sallam) forbade that the graves should be plastered or they be used as sitting places (for the people), or a building should be built over them.
